

AGRICULTURAL SCIENCE LEARNING PLAN

Student Name	
Banner ID	
Expected Date of Graduation	
Advisor Name	
Date Plan Submitted	

Instructions:

- 1) The Learning Plan allows students to specialize their AGSC degree and should be developed in consultation with student's faculty advisor in the spring of the sophomore year or second semester for transfer students. Information on learning plan requirements can be found in the Course Catalog (catalog.truman.edu) under Agricultural Science degree information.
- 2) Upon approval by the AGSC faculty, the Learning Plan will be sent to Registrar's Office (MC 104) and entered into student's degree audit form on Banner.
- 3) To make changes to a filed Learning Plan, use the Change of Learning Plan form on the AGSC website (agriculture.truman.edu).

Agriculture Electives (at least 15 hours with AGSC prefix)

Course #	Title	Credits
Total Hours
